

Hi Dr.Harman

Students need to find their username using this website.

<https://sceweb.sce.uhcl.edu/support/?page=home>

Their password is: "s" + student ID number

Thanks

Miguel Pagan

The screenshot shows the University of Houston Clear Lake website. The header includes the university name and logo, and a navigation menu with links for Home, Web Hosting, Labs & Servers, Search, Login, and Your Accounts. The main content area is titled "Unix Account Lookup" and contains a form with the following elements:

- Form title: Account Lookup
- Input field: Student ID or Last Name or First Name
- Submit button
- Link: Forgot password?

For logging on to the workstations in D158B:

What is my username?

To find your username click on the following link.

<https://sceweb.sce.uhcl.edu/support/?page=home>

search

Your username will be listed under the ROCKS(Unix) system. **Unix usernames are case sensitive.**

Unix(Rocks) Account

Username

Password

About Your Account

What is my password?

Your password for your unix account is usually:

s followed immediately by your student ID

or s followed immediately by your seven digit student ID number
For use in D158B

Commands to use before logging off – clear your files:

rm -rf ~/.cache/*

rm -rf ~/.mozilla/*

rm -rf ~/.gazebo/*

If Locked Out: Cntl+Alt+F2 Log In,

Then use commands above to clear files
